WE WANT YOU.... AT THE EXCHANGE STREET IDEA EXCHANGE!

It's not every day that cities have the opportunity to transform the heart of their community through one catalytic project, but Akron does. **Hands On Exchange** is a Tactical Urbanism project that will examine alternatives for transforming Exchange Street into a Complete Street-- one that is designed for all users, including pedestrians, bicyclists, motorists, and transit riders of all ages and abilities.

Come join the conversation and tell us your big idea for the Exchange Street test project!

WHEN: NOVEMBER 16, 2017 @ 5PM

**WHERE: UNIVERSITY OF AKRON INFOCISION STADIUM
